Overview

Fruitable is an e-commerce website designed to provide users with a seamless shopping experience for purchasing fruits and related items. This manual provides step-by-step instructions for navigating the website, performing various user and admin tasks, and understanding its functionalities.

Header

User Login

The User Login feature allows registered users to securely access their accounts on the Fruitable platform. By logging in, users can:

- View and update their profile details.

A screenshot of the Fruitable user login interface. At the top, there's a green header bar with links for Home, Shop, Contact, Account (which is highlighted in blue), and Log Out. Below the header, on the left, is a sidebar with three buttons: 'Account Details' (highlighted in green), 'Order Details', and 'Delete Account'. The main content area is titled 'Account Details' and contains three input fields: 'First Name' (Jane), 'Last Name' (Doe), and 'Email' (jane@gmail.com). At the bottom of this form is a green 'Update Details' button.

- Access their order history , track placed orders and cancelled orders. A order can be cancelled only before the date of delivery

The screenshot shows a user's account page with a green header bar containing 'Home', 'Shop', 'Contact', 'Account' (which is highlighted in blue), and 'Log Out'. On the left, there's a sidebar with 'Account Details' and a green 'Order Details' button. The main content area is titled 'Order Details' and shows the following information:

- Order ID:** 37
- Delivery Date:** 1/24/2025
- Status:** Not Delivered
- Address:** 1104/ Harshil Hornbill , Near Mittal College P.G Marg, Malad, 600064
